THEY ARE COMING FOR YOUR CHILDREN: THE FIGHT WE MUST WIN!

***"We're Here, We're Queer,
We're Coming For Your Children."***

They Are Coming for Your Children: The Fight We Must Win! by Drenda Keesee Calls for Urgent Action to Protect the Next Generation.

Drenda Keesee, a renowned author, international speaker, and advocate for family values, announces the release of her latest hard-hitting work, *They Are Coming for Your Children: The Fight We Must Win!* More than just a book, this thought-provoking work is a rallying cry for parents, educators, churches, and communities to take urgent action to protect the moral and spiritual well-being of the next generation.

With deep insights, research, and an unflinching determination to protect children, Keesee sounds the alarm and courageously exposes and confronts the malevolent agendas and ideologies operating in our schools, hospitals, media, government, and world organizations to steal the innocence and very lives of our children.

They Are Coming for Your Children: The Fight We Must Win! is a powerful tool for anyone who wants to know what is happening in our culture or who cares about children. It's a book that educates, equips, and empowers readers with the knowledge and tools needed to take a stand and fight to protect our children in these turbulent times.

Readers Can Expect to Find:

- The pressing concerns that every parent, guardian, and concerned citizen should be aware of
- In-depth analysis of the battles happening in schools, media, government, and more
- Answers and strategies for parents, educators, and caregivers to protect and guide their children
- And much more

DRENDA KEESEE

Drenda Keesee is an international speaker, life coach, pastor, businesswoman, and television host of *Drenda* and the *Drenda on Guard* channel. She is also a best-selling author of several books, including *Nasty Gets Us Nowhere: Women and Men Succeeding Together*, *Shark Proof: How to Deal with Difficult People*, *The New Vintage Family: A Vintage Look for the Modern-Day Family*, *Fight Like Heaven! A Cultural Guide to Living on Guard*, and her latest release, *They Are Coming for Your Children: The Fight We Must Win!*

She is passionate about families, freedom, and finances and has made it her mission to expose the latest Antichrist agendas in order to equip believers to live in victory and without fear in these appointed times.

Drenda and her husband of 40 years, Gary Keesee, founded Faith Life Church in 1995 that now has campuses in New Albany and Powell, Ohio. They also launched Faith Life Now Ministries, which reaches millions of people across the globe through TV shows, radio, worldwide conferences, online platforms, books, and teachings to spread the Good News of the Kingdom.

The Keesees have five accomplished adult children and soon-to-be 12 grandchildren.

SUGGESTED INTERVIEW QUESTIONS

FOR DRENDA KEESEE

- What prompted you to write this book?
- How did you go about your research for this book?
- What are some of the ways you've discovered our children and grandchildren—the next generation—are in danger?
- How can parents protect their children from seeing pornography?
- Can you explain why it has become dangerous to "live and let live"?
- Where do you see women's sports heading if something doesn't change regarding accepting trans athletes?
- In the book, you say, "Trans ideology is a deflection that pretends to fix a problem on the outside that comes from the inside." Can you explain this?
- In the book, you say, "Critical Race Theory actually reignites racial hatred and tensions to victimize people, ultimately for state control." Can you explain this?
- How can parents put pressure on political leaders to prohibit and remove the indoctrination of educators?
- In the book, you talk about a formula to take back education from leftists and stop the misinformation that is flooding our school systems and controlling impressionable minds. What is that formula?
- How important is it to homeschool your children these days, and can anyone really do it?
- What is the motivation behind the World Economic Forum and their agendas?
- When you were studying color, design, and imagery for logos to represent your new movement to fight back against these destructive forces, what did you discover?
- In the book, you talk about reclaiming artistic creative expression and reflecting God's goodness in the arts. How do you envision art best being used to share God and tell the story of the value He places on human life?
- As taxpayers, how can we prevent having our hard-earned money fund the mutilation of children? What can we do?
- How does organized crime play into the war for our tomorrow? What can we do at the local level?
- How plausible is it that we are fast approaching the future of a digital currency that will be controlled using metrics of the government computations that align with the globalists' agendas?
- What is mankind's role in the battle between the Kingdom of God and the kingdom of Satan?
- Can you explain "spiritual warfare"?
- How can parents take a stand for their children, question, and even fight any institution willing to confuse and take advantage of children?
- Can you explain the significance of the seven-year covenant to realize the Agenda 2030 goals and COP28?
- What should someone do if they're feeling discouraged or anxious about all of the events that are taking place?
- What do you have to say to church leaders who have lost the courage to speak the truth and are allowing lies to be told to innocent children on their watch?
- What is the difference between love and lust, and how are we seeing confusion between the two play out in culture?
- Describe the changes you've witnessed in children and teens since you were a youth pastor many years ago and what you see happening with them today.
- What part are schools, hospitals, and big business playing in advancing the LGBTQ+ agenda among children?
- How has the media been used to control and manipulate information and drive the enemy's agenda over the last few years?
- What power do we, as Christians, parents, and grandparents, have to push back against media giants like Disney, big tech, big pharma, and mainstream news outlets?
- What can men and women do in this "fight we must win"?
- How can we push back against the corporate giants who are pushing the LGBTQ+ agenda to sexualize our children?
- How can parents protect their children from the direction the culture is going?
- What is the Baptism of the Holy Spirit?
- In the book, you talk about people being tormented by evil spirits.
 - How do you know if someone is being tormented by evil spirits?
 - What should you do if you recognize this in someone?
- What does it look like to live on guard?
- What would you like people's biggest takeaway to be from your book?
